Dear Larry,

I wanted to take a minute and drop you a note of appreciation for the great service you have provided over the last year. Installation went smoothly, and there has never been an issue with setting or releasing the alarm.

The few contacts I have had with the monitoring station have been smooth as well. The people that have called about an issue have been pleasant and polite on the phone.

I highly recommend your company to anyone who asks.

Best wishes to you and yours in the coming New Year.

Yours Sincerely,
