Dear Larry,

I wanted to send you a short note to tell you how pleased we have been with the security system you installed last year. First, the entire process of changing vendors could not have been more pleasant and more efficient, and the very few service calls we have had since then, have been handled quickly and efficiently. Also, the number of false alarms we've had has dropped significantly, which is a wonderful thing as well.

Your entire staff has been a pleasure to work with. Thank you again for delivering what you promised.

Sincerely,
